"Hello"

Day 1 of trying To figure out where is 'Riansudle Forest':

I tried to ask one of My overseas friends but they didn't know where it is...I went all around the world , except for one place , 'Riansudle Forest' , My boss said he'll give me 12345,000,000,000,000,00 Bucks if i went there , Why?Because legend says who ever comes in , **NEVER COMES BACK OUT** i wasn't really that scared since i've been all around the world!

Day 19 of trying to figure out where is 'Riansudle Forest':

I made it , I made it to 'Riansudle Forest' i'm so proud..I roamed around to see a harmless neko with stripes on the face and a blue box filled with 50 stars on their flag i looked closer to see who it was , they noticed me and accidentally kissed me! it felt nice..they let go and blushed i asked "Who are you~? I'm Philippines!" they answered "A-Ame-America-" i chuckled and replied "What a pretty name , for such a pretty girl!" i replied since i did like the kiss..though i'm straight! they huffed at me and said "I-I'm not a girl" i was kind pf shocked but not really , he let me stay and had me sit , We talked for a while and all of a sudden i pulled him to my lap and kissed him , he was shocked but kissed back....

Russia's PoV

I wanted to visit My neighbor , America , We have been good best friends and he has helped me to get with my boyfriend >.> (**Btw his bf is Germany**) i visited his house his door was open and i let myself in , and i heard some faint moans from America's bedroom , i walked upstairs to his room to check it out then i saw another country fucking him...it was my childhood friend...PHIL!? He was fucking my best friend!

~~~~~Time-skip Later~~~~~

## Philippines' PoV

I looked at my tired little cute America , we just had sex 5 hours ago and his legs are still sore , he tugged my shirt and said "S-sl-slee-sleep w-wh-whith m-me" i nodded and he closed his eyes and slept hugging me , i hugged him back and fell asleep with him smiling...

~~~~~The next dayyyyy~~~~~

((((Still phil's pov))))

I woke up and my America wasn't in bed..I groaned , walked to the closet and grabbed a pair of pants and a t-shirt i walked downstairs to see America wearing knee high socks and my shirt- it was a bit big on him so it slid off his shoulder a but showing **some** of the hickies i gave him , he was eating breakfast while waiting for me , i went downstairs and ate with him , after we we're done we went to the living room , he asked me "Hey daddy?" i replied "Ano baby?" he answered me "Can we h-h-have round 2 later?" i replied "Siyempre baby~" while i grabbed him and hugged him tightly while he just clinged on to my shirt , I turned on the television and me and America we're watching titanic while we heard a small knock on the door America said "Daddy...you get it....i'm tired..." i nodded and laid him on the couch while i ran to the door , i asked

"Sino ka?"they replied "Россия, Думбас" i sighed in relief and opened the door Russia waved at Me and i let him in , i sat back to the couch and America sat down on my lap

"mhmmmmmmnghmmm" he said it was muffled so i couldn't understand , Russia death glared me and sat beside us. We watched some cartoons , made a few jokes and conversations..until! **the door bell rang again damn it** Fuck! I ran up to the door and asked "WhO?" they replied "A sexy woman" i joked "HI MOM!" they sighed and said "Look , i'm Ukraine! The hottest and most sexiest girl here!" "Wait you guys have a village here?" i asked turning to them , they nodded and i opened the door for 'Ukraine' , When we got in ,

America didn't get in my lap , he just slept on My shoulder , Ukraine squeezed beside me ((**On his left is Ame so she in the right > . >))** so russia moved and i moved and i also moved America , She was trying to talk to me but i ignored her and talked to Russia instead , They both wanted to stay in , So America let them in the guest rooms , Me and America went to our room and forgot to lock the door – "Daddy~ Can we have round 2 now~?" i replied "Sure Baby~ But i'll go harder~" he went on the bed and i went on top of him , i pulled up his legs to take off his boxers but he didn't have any- "Sneaky little-" I got cut off by America kissing me and i kissed him back immediately , We made out for a good 7 minutes and then i pulled up his shirt which belongs to me and started to suck on his member making him moan "Ah~ aH~ pHiL~!" ((**wHy aM i DoInG tHiSsSs-**)) after a while he came in my mouth "Sarap~" ((**wTf It SouNdS wRoNg-**)) He blushed and i slowly unzipped my pants and took off my boxers , i slowly pushed my member inside his entrance "aH~! HAaH~ fAsTeR~!" i nodded and started to thrust in and out of him non stop "DaDdY~! i-Im CLoSe- aH~!" he came onto my chest and i licked it off "Mmm~" i was close so i came in him "Daddy- hah- that- hah- was fun-" he said while panting , ((**Mind you America is still wearing Phil's shirt**))

i gave him a pair of boxers so he put it on , i kissed him then we went to sleep ♦♦
